

# COMPUTER INTEGRATION

“Don’t get left behind, stay connected with the new technology used by transit. Learn how to use your smart devices!”

Note: Members must bring their own mobile and tablet devices.

TUF has a new course that can help members to utilize their smart phone or tablet like a personal computer on the iOS(Apple)/Android operating system. You will learn how to navigate keys, syncing email and social networks, print and email documents, and set up Wi-Fi.
